- Players will be taught to analyze film, as it is an extremely important tool in the development of any football player.
- Offensive Lineman: Instructors will focus on stance, first-step, run blocking, and pass blocking in order to develop core skills to conquer the line of scrimmage. Attention to detail will provide players with the best instruction possible. We fully believe that the experience we offer will take you to the next level.
- Defensive Lineman: Instructors will focus on stance, first-step, run recognition, pass-rush and hand techniques. Details will be provided in order to defeat your opponent. We will focus on both physical and mental aspects in order to develop standard DL skills.

To whom it may concern,

Jordan Cozzi and Danny Brown are putting together a football camp specifically for Offensive and Defensive Linemen. The camp will focus on providing youth football players the skills and techniques to succeed as both a player and as a person. We shall focus on developing football specific skills as well as discipline, communication, and teamwork. We believe that these skills obtained in football can directly translate into everyday life!

We are writing you to ask if you are interested in sponsoring the Big Rigs Camp. The cost for running this camp is quite expensive as many factors must be considered, and we would like to provide the players with the best experience possible.

Your sponsorship would greatly decrease our expenses which would directly lower the cost of each player to attend. We have no motive to profit from this camp; any and all money will be given back to the football community in any way possible.

With your sponsorship, we can advertise your company in the game day programs of the Niagara Storm, Steel City Ironmen, and Hamilton Hurricanes football organizations. We are also able to advertise company logos on the camp T-shirts as well as showcase posters and banners if provided.

Any amount of support is welcome; if you are able to support us it will be greatly appreciated. If you require further information do not hesitate to contact us. We are looking forward to the first ever Golden Horseshoe All Canadian Lineman Camp and its success can be determined by you.

Thank you for your time and we look forward to hearing from you,

Sincerely,

Jordan Cozzi

Danny Brown
